

**Circulation Policy**  
**Rolla Public Library**  
Rolla, North Dakota

The Rolla Public Library does not charge overdue fees on borrowed Library materials (any item circulated from the Library). The Library has the option to assess fees for lost materials, damaged materials, or other instances.

Library patrons are responsible for returning or renewing the items they check out before the due date. If they do not, the item is considered overdue. Items can be declared lost after they have been overdue for 6 months, and a replacement fee may be charged to the Library patron.

Replacement fees will be determined by the Library Director.
